

# ***ACCOUNT MANAGER HEALTH***

Do you want to join one of the leading health communications agencies in the UK and be part of one of PR Week's 'agencies to watch' in 2018?

MHP is a strategic communications agency built for the networked age, applying the new rules of influence to solve complex problems. Our success saw us win Large Agency of the Year at the 2019 PR Moment awards.

Headquartered in London, we are an agency of 160-strong brand, financial, corporate, health and public affairs specialists and joined-up thinkers, with offices in Hong Kong, Singapore and Australia, underpinned by a fully serviced affiliate network which allows us to implement impactful communications campaigns on a global scale.

MHP offers clients a unique balance of mindset, capability and people. It's an approach that over the past year has attracted clients such as L'Oréal, Talk Talk, Saga, Cobham and Bupa. It also delivered the global multi-award winning Missing Type campaign for the NHS.

MHP Health is one of the highest performing practices in MHP – growing 20 percent in 2018 alone. From reversing UK Government policy on vaccinations, to building support for genomics in the NHS and shaping the environment for respiratory conditions in Asia – our work is diverse and challenging. We have the client roster to match, including AstraZeneca, Alzheimer's Research UK, Bristol-Myers Squibb, NHS Digital, Roche and the UK Lung Cancer Coalition – to name but a few. The team deliver projects at a UK, European, and Global level across a broad range of communications disciplines including policy, government affairs, media relations, patient advocacy and corporate communications. In July 2019, we were successful in five categories at the *Communiqué Awards*, which recognise best practice in healthcare communications. This included winning the much converted award for Policy and Public Affairs Consultancy of the Year. The awards success reflects a growing, diverse and determined team with one goal: to make perfect sense of health.
