Introduction

MHP Mischief is a unique combination of two market-leading brands. Together, we are greater than the sum of our parts.

We are a collection of 200 communications specialists, blending behavioural science, influencer strategy, creativity, audience insight and industry expertise.

MHP helps clients navigate the volatile, activist and tribal Networked Age. Mischief is engineered to win in the Attention Rebellion era.

Our specialist areas include consumer comms, corporate reputation, crisis management, capital markets, public affairs, health and financial services.

We represent some of the most-loved, most-trusted and most intensely scrutinised brands in the country, including AstraZeneca, Coinbase, Huawei, Innocent, JustEat, Lego, Restaurant Group, Marshmallow and Sky.

The role

We are looking for a dynamic Senior Account Manager to join our team and work on an exciting portfolio of clients, acting as the day-to-day lead on client programmes and to direct, mentor and advise colleagues.

The role will involve managing the daily delivery of client programmes, providing regular advice to clients and support to account teams. The role will suit someone driven, who enjoys working in a forward thinking fast paced environment, loves the media, and who is experienced in taking a proactive lead in a variety of scenarios and with multiple high-profile clients.

You will be passionate about financial services with a view on the evolution of the sector and the reputational challenges and opportunities this presents for clients and prospects. You will have good financial services experience, a deep awareness of what drives the news agenda, and established media contacts at both national and trade publications.

Excellent writing must be a core skill, plus strong organisational and planning skills and the confidence to handle and deliver client programmes without regular supervision.

You will be ambitious and results driven, with a proven experience of forming strong client relationships built on trust, leadership and respect, and recognise the importance of staying creative and relevant in your approach.

- Assist with new business preparation and pitching.
- Keep up to date with the latest social media trends, proactively developing material and awareness of MHP's digital offering.
- Manage and mentor junior team members.

The successful candidate

- Will have at least 4 years of communications experience working in either agency or in-house roles
- Will be passionate about financial services and have some experience of working with clients in the sector. You'll be highly motivated and keen to work across a broad spectrum of clients including wealth and asset management, fintech, retail banking, consumer finance and private equity/venture capital.
- Will have experience of working across corporate positioning, brand building and reputation management briefs
- Will have a track record of forming strong client relationships built on trust and respect and understand the importance of staying creative and relevant in your approach
